There are 10 equal monthly payments each dance year regardless of the number of weeks in each month. Payment received after the 15<sup>th</sup> of the month, checks returned to the studio and declined automatic payment debits will result in a \$25 fee per occurrence. Invoices for late payments will be emailed and must be paid upon receipt. If a check is returned to the studio more than twice in any given dance year, checks will no longer be accepted as payment. If tuition payments become delinquent by more than 2 months, this may result in the suspension of the students' participation in class. There are two options for tuition payments.
